

2011 MY Chevrolet Express Passenger Mobility Van

\$3,000 NOT-FOR-PROFIT ORGANIZATION INCENTIVE

THE OPPORTUNITY

Introducing a special incentive on Express Passenger Vans with Mobility Upfits for not-for-profit organizations.

Qualifying not-for-profit organizations can receive a **\$3,000 cash incentive** toward any new 2011 Express Passenger Van with mobility provisions.¹

This incentive is in addition to all retail and mobility incentives.² Mobility reimbursement provides up to **\$1,200 for eligible mobility equipment** and **two additional years of OnStar** service at no additional cost.

NOT-FOR-PROFITS WELCOME

This special incentive is available for not-for-profit organizations that may include:

- Local and municipal governments
- Nursing homes
- Hospitals and health care facilities
- Residential care facilities
- Charitable organizations
- Health and human service providers
- Senior centers
- Schools and various educational institutions

THE IDEAL CHOICE FOR MOBILITY

The Express Passenger Mobility Van is the ideal choice for mobility needs. The Passenger Van chassis is **designed to carry people, not cargo**, resulting in a mobility vehicle with exclusive safety and comfort features.

Like every GM vehicle, Express is designed for low ownership costs and includes The Best Coverage in America.

1. Vehicle must be equipped with either (Y3H) Mobility Prep Package or (ZX2) Seat Delete. Customer must submit proof of not-for-profit status (503c).
2. Not stackable with Fleet CAP or Government Bid Assistance.

Picture above shows extended model Express Passenger Van equipped with side entry lift and ADA-compliant door opening installed by Specialty Vehicle Manufacturer.

Customized, Mobility Upfitted Van for specific customer needs

Your Chevrolet dealer will work with our specialty Upfitters to ensure that your van is adapted to fit your needs and requirements. There are many options and types of vehicle enhancements that can be made to ensure a van is correctly adapted for customer mobility needs.

INSTRUCTIONS TO DEALER

1. Call your mobility upfitter or GM upfitter Integration at 1-800-875-4742 to find an appropriate mobility upfitter. Your upfitter will configure your order to include (Y3H) Mobility Prep Package or (ZX2) Seat Delete to suit the needs of your customer.
2. Use program #10-40CAN and incentive code AER for \$3,000 incentive. Retain evidence of the organization's not-for-profit status. Use program #10-07-3 and incentive code MOB for \$1,200 mobility incentive.
3. Vehicle will be shipped to a mobility upfitter or retrieved from an upfitter pool.
4. Be sure to fill out the GM Mobility Reimbursement Application, available at www.gmmobility.com, and send to GM Mobility Program Headquarters.

Express Passenger Mobility Advantages

| CHEVROLET EXPRESS FEATURE | BENEFIT | FORD E-SERIES |
|--|---|---|
| SAFETY | | |
| OnStar Directions & Connections Plan | Connects to a live advisor in the event of an air bag deployment ¹ | Optional SYNC lacks a live advisor |
| Enhanced-Technology Glass | May help certain passengers from being ejected in a rollover ² | Not available |
| Side-impact head curtain air bags for all rows | May protect passengers in side impacts and rollovers ³ | Not available |
| Standard Daytime Running Lamps | Enhances visibility to other vehicles | Not available |
| COMFORT | | |
| Long, 155-inch wheelbase (Extended models) | Provides a smooth ride, stability and superb driving dynamics | Wheelbase is 17 inches shorter than Express |
| Short- and long-arm front suspension | Contributes to a smooth ride and control | Uses an antiquated swing-arm suspension |
| Standard Solar-Ray deep-tinted privacy glass | Helps reduce glare while enhancing privacy for occupants | Has light-tint glass (when built on a Cargo chassis) |
| OWNERSHIP COSTS | | |
| 6-speed automatic transmission | Fuel economy and lower engine speeds on the highway | Has 4- and 5-speed transmissions |
| Long-life transmission fluid | Never needs to be replaced | Replace every 60,000 miles |
| Long-life spark plugs | Replace every 100,000 miles | Replace at 60,000 miles in low-idle/severe conditions |
| Oil Life Monitoring System | Recommends oil changes based on actual use | Recommends oil changes based on set time/distance |
| The Best Coverage in America | 100,000-mile/5-year Powertrain Warranty | Powertrain warranty is 40,000 miles shorter |

1. Visit onstar.com for details and system limitations.

2. Enhanced-Technology Glass may help to keep passengers sitting next to these fixed windows from being ejected through the glass in some, but not in all, crashes.

3. Head curtain side-impact air bags are designed to help reduce the risk of head and neck injuries to front and outboard rear-seat occupants during certain side-impact collisions. Always use safety belts and the correct child restraint for your child's age and size. Children are safer when properly secured in the rear seat in the appropriate infant, child or booster seat. See the Owner Manual for more safety information.
