

Van Body Application

Vehicles shown have been altered or upfitted with equipment supplied by independent suppliers. See the Owner Manual for information on alterations and warranties.

If cargo needs weather protection, a van body is the answer. It offers maximum versatility for meat, poultry, and flower wholesalers, newspapers, cities/counties and, naturally, delivery and expediting companies.

See Powertrain Combinations chart for applicable engines, transmissions and 2WD/4WD/AWD availability.

Model	Cab or Equipment	WB/CA	Drive Axle(s)	Body Length (feet)						GVWR (pounds)*	Maximum Body and Payload (pounds)** without box
