## GM CARGO VAN COMPETITIVE COMPARISON

### ORANGE TEXT INDICATES GM ADVANTAGE

- Sources: [www.fleet.ford.com](http://www.fleet.ford.com), [www.commtruck.ford.com](http://www.commtruck.ford.com).
- Maximum payload capacity includes weight of driver, passengers, optional equipment, upfitter installed body and equipment and cargo. Cargo and load capacity is limited by gross front and rear axle weight ratings and GVWR.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GM dealer for additional details.
- Head curtain side air bags are designed to help reduce the risk of head and neck injuries to front and rear seat occupants on the rear side of certain side-impact collisions. Always use safety belts and the correct child restraints for your child's age and size, even in vehicles equipped with air bags. Children are safer when properly secured in a rear seat. See your vehicle Owner's Manual and child safety seat instructions for more information.
- Includes Automatic Crash Response, Emergency Services, Crisis Assist, Stolen Vehicle Assistance including Remote Ignition Block, Remote Door Unlock, Turn-by-Turn Navigation with Destination Download (requires navigation radio) and OnStar eNav (where available), OnStar Vehicle Diagnostics, Roadside Assistance, Remote Horn and Lights, and Hands Free Calling. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. Services vary by model and conditions.

## Quality, Reliability and Durability

- Standard 5-Year/100,000 mile limited powertrain warranty vs. Ford's 5-year/60,000 mile warranty
- Standard 6-year rust-through warranty vs. Ford's 5-year warranty

## Comfort and Convenience

### Greater interior comfort

- More front leg and shoulder room

### More interior cargo length and width

- Engine front cover to rear
- Between rear wheelhousings

### More standard features

- Automatic On/Off headlights
- Step-up bumper
- Daytime Running Lamps
- Tow/Haul Mode
- 16" steel wheels<sup>7</sup> (2500/3500 models)
- Driver Information Center

### More available features

- Swing-out driver-side doors
- Pro Package - includes three remote release access panels
- 17" chrome appearance wheels<sup>7</sup> (1500 models)
- Exterior temperature gauge and rear window defogger

## Power and Performance

### Widest choice of powertrains

- Diesel power not available on E-150 or E-250
- 6-speed transmission standard on all 2500/3500 Cargo models

### Economical standard power

- Express/Savana 1500 Cargo models - 4.3L V6 (195 hp)
  - EPA-Est. 15 mpg City
  - EPA-Est. 20 mpg Highway

### More available power and torque

- Available 4.8L V8 engine (280 hp) offers more horsepower and torque than E-150's standard V8 (225 hp)
- Cargo models feature an available 5.3L FlexFuel<sup>6</sup> V8 (310 hp) which offers more horsepower and torque than E-150's standard V8 (225 hp)
- Cargo models feature an available 6.0L V8 (323 hp) which outpowers E-150's available 5.4L V8 (255 hp)
- 2500/3500 Cargo models available with a 6.6L DURAMAX turbo-diesel V8 (260 hp, 525 lb.-ft. of torque). Diesel power not available on E-Series

### Segment-exclusive features

- Models equipped with the 6.0L gas V8 or 6.6L DURAMAX diesel V8 offer a maximum towing capacity of 10,000 lbs. vs 6,500 lbs. on E-150
- Available heavy-duty locking rear differential – not available on any Ford E-Series model
- Fully boxed frame

## Safety and Security

- Steel safety cage construction
  - Reinforces floor, body sills and roof pillars
  - Surrounds and protects the entire passenger compartment
- StabiliTrak Electronic Stability Control System standard on all models
- Head curtain side-impact air bags<sup>4</sup> are available on Cargo models (not available on Ford's E-150)
- TheftLock radio anti-theft system available (not available on Ford)
- Passlock vehicle anti-theft system standard (anti-theft system optional on Ford E-150)

## Ride and Handling

### Solid foundation

- GM's extended-length models based on a 155" wheelbase; Ford E-150 based on the same 138" wheelbase as regular-length model

### Exclusive all-weather control

- Express/Savana are the only commercial vans available with full-time all-wheel drive<sup>8</sup>

6. E85 is 85% ethanol and 15% gasoline. To see if there is an E85 station near you, go to [www.gmaltfuel.com/e85-station-locator](http://www.gmaltfuel.com/e85-station-locator).

7. Use only GM approved wheel/tire combinations. See your GM dealer for more details.

8. Available on 1500 135"-wheelbase models less than 8500 lbs. GVWR. Based on 2011 GM Large Van segmentation.
