

2012 Chevrolet Express/GMC Savana vs. 2012 Nissan NV

Express/Savana: More for Your Business

Express and Savana offer more model choices, capability, access and service advantages for your business. For 2012, Nissan NV enters the full-size van segment with a pickup-based van in one wheelbase and two roof heights.

MORE MODEL CHOICES

- **Extended wheelbase** is available, providing a 2-foot-longer load floor than NV
- **Passenger Van** provides seating up to 15. NV has no passenger van
- **Cutaway** 3500/4500 with three wheelbase choices accommodates a wide range of bodies and upfits

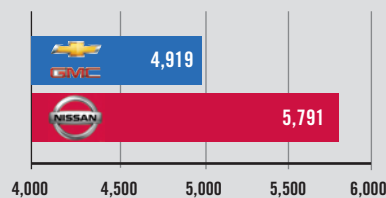

Maximum Cargo Floor Length¹

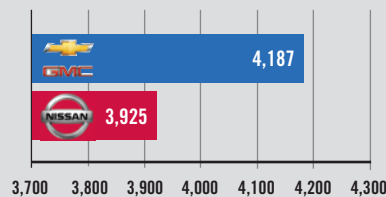

MORE CAPABILITY

- **More available horsepower and torque** provide power for the job
- Available **high-efficiency Duramax diesel** with 36% more torque than NV with available V8 engine
- **Lower curb weight.** Express/Savana 1500 curb weight is 872 pounds lighter than NV
- **FlexFuel** on all gasoline V8s, **CNG**, and **B20** on Duramax are not available on NV
- **Payload** capacities are up to 262 pounds higher than NV³
- **Towing** capacities are up to 500 pounds higher than NV⁴
- **All-wheel drive available** on 1500 Cargo for traction in a wide range of climates. It's not available on NV

Base Curb Weight (lb.)²

Maximum Payload (lb.)³

MORE ACCESS

- **Express Access and Access Plus Packages** provide easy, secure access to the interior from the outside
- Available **driver's side 60/40 swing-out doors** not available on NV
- Available **passenger side 60/40 swing-out doors** not available on NV

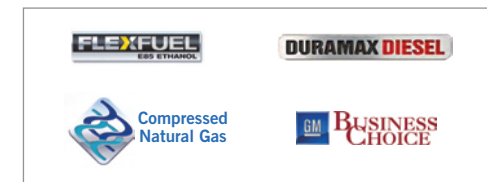

SUPERIOR SERVICE

- **Upfitter ship-through** means vehicles arrive at the dealer complete, saving time and money. Ship-through not available on NV
- Longer **100,000-mile/5-year Powertrain Warranty** with Roadside Assistance and Courtesy Transportation⁵
- Chevrolet/GMC provide a **larger dealer network** for convenience, parts availability and to help minimize downtime
- **GM Business Choice Upfit** with 6 packages to choose from. NV only offers 2 Adrian upfit packages

5-YEAR | 100,000 MILE POWERTRAIN WARRANTY⁵

1. Measured to engine cover/instrument panel.

2. Base curb weight of 1500 models.

3. 2011 Express/Savana 3500 versus 2012 NV 3500. Maximum payload capacity of gas model including weight of driver, passengers, optional equipment and cargo.

4. 2011 Express/Savana with 6.0L gas and 6.6L Duramax versus 2012 NV 5.6L V8. Maximum trailer weight ratings are calculated assuming a properly equipped base vehicle, plus driver. The weight of optional equipment, passengers, cargo and required trailing equipment will reduce the maximum trailer weight. See the Owner Manual for details.

5. Whichever comes first. See dealer for limited warranty details.
