

Vehicles shown have been altered or upfitted with equipment supplied by independent suppliers. See the Owner Manual for information on alterations and warranties.

GM offers hardworking trucks for snow business, with Chevrolet and GMC trucks equipped with the available Snow Plow Prep Package. Our prep packages are carefully thought out to ensure that the loads imposed by heavy plows and salt/sand spreaders are manageable. But it doesn't stop there. Depending on the specific application, prep packages can include a mounting location for snow plow controls, high-output alternator, backup

emergency light power and forward lamp wiring harness, an instrument panel jumper wiring harness for an electric trailer brake controller, a high-flow front bumper, a high-capacity air filter and skid plates.

See Powertrain Chart for applicable engines and transmissions. Many powertrain combinations for snow plow prep are listed in the chart footnotes.

NOTE: For use in a snow plow application, all models listed in the chart must be equipped with the optional Snow Plow Prep Package, available at additional cost.

Model	Cab or Equipment	WB/CA (inches)	Drive Axle(s)	Plow Width (feet)				Spreader/Hopper Length (feet)			Maximum GVWR (pounds) ⁵	Maximum Payload (pounds) ⁶

See footnotes on page 13.

Snow Plow/Spreader – Special Notes:

- GM recommends that when a snow plow is mounted on a vehicle, only one passenger should accompany the driver. More passengers may result in exceeding Front Gross Axle Weight Ratings
 - The loaded vehicle with all passengers, snow plows, spreaders and cargo must have a center of gravity within a specified area
 - The use of rear ballast weight may be required to ensure allowable center of gravity
 - See Body Builder Manual for details
1. Snow Plow Prep Package includes 10-amp power for backup and roof emergency light, (KW1) 160-amp alternator, high-flow front bumper, forward lamp wiring harness, (TRW) provision for cab roof mounted lamp/beacon, instrument panel jumper wiring harness for electric trailer brake controller, (K47) high-capacity air cleaner, (KNP) auxiliary external transmission oil cooler and (NZZ) Skid Plate Package. Requires CK/TK10*03 models. Not available with (LU3) Vortec 4.3L V6 MFI engine or (CJ2) dual-zone automatic air conditioning.
 2. Snow Plow Prep Package includes 10-amp power for backup and roof emergency light, high-flow front bumper, forward lamp wiring harness, (TRW) provision for cab roof mounted lamp/beacon, instrument panel jumper wiring harness for electric trailer brake controller, (NZZ) Skid Plate Package and increased front gross axle rating. Requires 4WD models. Includes (KW1) 160-amp alternator with (L96) Vortec 6.0L V8 SFI engine. Includes (K76) dual 125-amp alternators with (LML/LGH) Duramax 6.6L Turbo Diesel V8 engine.
 3. Snow Plow Prep Package includes 10-amp power for backup and roof emergency light, high-flow front bumper, forward lamp wiring harness, (TRW) provision for cab roof mounted lamp/beacon, instrument panel jumper wiring harness for electric trailer brake controller, (NZZ) Skid Plate Package and increased front gross axle rating. Requires 4WD models. Includes (KW1) 160-amp alternator with (L96) Vortec 6.0L V8 SFI engine. Includes (K76) dual 125-amp alternators with (LML/LGH) Duramax 6.6L Turbo Diesel V8 engine.
 4. Snow Plow Prep Package includes 10-amp power for backup and roof emergency light, high-flow front bumper, forward lamp wiring harness, (TRW) provision for cab roof mounted lamp/beacon, instrument panel jumper wiring harness for electric trailer brake controller, (NZZ) Skid Plate Package and increased front gross axle rating. Requires 4WD models. Not available with (CF5) power sunroof or (UG1) Universal Home Remote. Includes (KW1) 160-amp alternator with (L96) Vortec 6.0L V8 SFI engine. Includes (K76) dual 125-amp alternators with (LGH) Duramax 6.6L Turbo Diesel V8 engine.
 5. When properly equipped; includes weight of vehicle, passengers, cargo and equipment.
 6. When properly equipped; maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.
