- Power adjustable pedals
- Audio options: Power flow/navigation system,¹¹ Bose audio
- XM NavTraffic
- Autotrac 4WD
- Remote Vehicle Starter System (dealer installed)
- Rearview camera system
- Ultrasonic Rear Parking Assist
- Fog lamps

2-MODE HYBRID FEATURES

The 2-Mode is a patented hybrid technology with two modes optimized for city and highway driving.

- First mode: At low speed and light loads, the vehicle can operate by electric power or engine power or any combination
- Second mode: Primarily for highway speeds providing electric assist and full V8 power when needed. It integrates sophisticated electronic controls, Active Fuel Management[™], cam phasing and late-intake valve closure for efficient engine operation
- 2-Mode system allows for more compact packaging because powerful electric motors are designed to fit within the space of a conventional automatic transmission
- 300-volt battery pack is larger than typical battery, but fits in without compromising passenger space. No plug-in is required

OVERVIEW

The GMC Sierra Hybrid (limited availability) uses GM's patented 2-Mode Hybrid system and a powerful 6.0L gas V8 engine. The Sierra Hybrid delivers highly efficient performance while maintaining full-size pickup capability. It is available in 2WD and 4WD versions.

NEW FOR 2010

- USB port included on all audio systems
- Available rearview camera system

FOR OTHER SIERRA MODELS, SEE SIERRA 1500, SIERRA 2500/3500 AND SIERRA DENALI PAGES

MODEL AVAILABILITY

RESOURCES AND PROGRAMS

GMFLEET.COM

GMFleet.com has many resources to help you purchase and maintain your business vehicles.

Visit Our Comprehensive Vehicle Showroom

More than 60 car and truck models make up GM's broad lineup. Find the models that best meet your business needs with the Vehicle Showroom, which includes standard and optional equipment, detailed specs, photo galleries and more.

Use Our Tools to Make Ordering Easier

Access ordering, maintenance and account tools – resources that can help take your business to the next level.

- Fleet Order Status
- Product Availability
- Online Order Guide and more

Bookmark Our Service and Maintenance Area

We offer a wide variety of helpful service and warranty tools to help keep your fleet on the road.

- Service Bulletins and Manuals
- Vehicle Warranty Information
- Fleet Service Programs
- Service and Technical Training

BUSINESS CENTRAL

Chevrolet and GMC Business Central dealers across the country feature knowledgeable, professionally trained staff committed to helping businesses like yours identify the vehicles you need to operate your business effectively and efficiently. The right vehicles to get the job done, equipped the way you need them!

For full information and the location of a Business Central dealer, visit our websites:

- chevybusinesscentral.com
- gmcbusinesscentral.com

GM FLEET ACTION CENTER

Fleet specialists at our GM Fleet Action Center can answer your fleet and commercial-related questions. Call toll-free 1-800-FLEETOP (1-800-353-3867), Monday through Friday (8 a.m.– 8 p.m. Eastern), for questions concerning:

- Commercial and Fleet Incentives
- Fleet Account Numbers (FANS)
- Order Management and Vehicle Specifications
- Service Issues
- Locating a GM Commercial Dealer

BUSINESS CHOICE

The Business Choice Program offers valuable incentives to qualified business customers on many new popular GM vehicles in a single easy-to-use program.

For more information, visit gmbusinesschoice.com.

To qualify for the program, your vehicle must be part of the day-to-day operation of your business and you must provide proof of your business. See your dealer for complete program details.

GMAC COMMERCIAL SERVICES

The GMAC Commercial Services Group has the knowledge and special programs to fit most business transactions that you, as a business customer, depend on to meet your day-to-day requirements. Please contact your local General Motors dealer to inquire about the various plans and programs we offer. GMAC offers a variety of options like:

- GMAC Commercial SmartLease® – closed-end lease plan
- GMAC ComTRAC® Lease – open-end lease plan
- GMAC Municipal Lease-Purchase Plan
- GMAC Commercial Line of Credit
- GMAC Third-Party Guaranty

For more information on our plans and products, please visit our website at www.gmacfs.com and click on GMAC Automotive Financing under Business Customers.

GMAC is a registered trademark

MOBILITY PROGRAM WITH ONSTAR

The GM Mobility Program with OnStar is designed to help individuals and organizations who need to upfit their vehicles with aftermarket mobility equipment (e.g., hand controls, wheelchair lift). This is made possible with a cash reimbursement up to \$1,000 (\$1,200 on Chevy Express/GMC Savana vans including cutaways) plus two extra years of standard OnStar service (on OnStar-equipped vehicles) when qualified mobility equipment is installed on eligible, new GM vehicles. Vehicle must be adapted and a claim submitted within 12 months of the vehicle purchase/lease date.

To get an application or to learn more, visit us online at gmmobility.com or call 1-800-323-9935.

Detailed Notes:

1. Always use safety belts and the correct child restraint for your child's age and size, even in vehicles equipped with air bags. Even in vehicles equipped with Passenger Sensing System, children are safer when properly secured in a rear seat in an appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner Manual and child safety seat instructions for more information. **2. OnStar®** all rights reserved. Visit OnStar.com for system limitations and details. **3. XM Radio** requires a subscription, sold separately by XM after the first 90 days. Not available in Canada, Alaska or Hawaii. For more information, visit gm.xradio.com. **4. When properly equipped**, cargo and load capacity limited by weight and distribution. **5. Maximum Gross Vehicle Weight Rating (GVWR)**. When properly equipped, includes vehicle, passengers, cargo and equipment. **6. Maximum payload capacity** includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution. **7. Maximum Trailer Weight** ratings are calculated

assuming a base vehicle, except for options necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See Order Guide for additional information. **8. For Turn-by-Turn Navigation**, antilock braking system and Directions & Connections Plan required. Turn-by-Turn Navigation not available in certain areas. Visit OnStar.com for coverage map. **9. Tire Pressure Monitoring System** does not apply to spare tire. **10. Premium paint** — available at extra cost. **11. Navigation Systems** — map coverage includes only the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico and the Virgin Islands. **12. RDS** functions only where stations broadcast RDS information. **13. 2007 Frontal Safety Rating** — U.S. Government safety rating for both the driver and front seat passenger in the frontal crash test. Side Impact Safety Rating — U.S. Government safety rating for both the front and rear seats in the side-impact crash test. Government star ratings are part of the National Highway Traffic Safety Administration (NHTSA) New Car Assessment Program (www.safercar.gov). **14. Use only GM-approved wheel/tire combinations**. See your GM dealer for more details.

15. Actual colors may vary. **16. Unless you option into a spare tire**, there is no jack or spare tire in this vehicle. If you do not option into the spare tire, your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a 1/4-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than 1/4-inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire one time before its expiration date. **17. The Bluetooth** word mark is a registered trademark owned by Bluetooth SIG, Inc. and any use of such mark by GM is under license. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. © Copyright 2009 General Motors Corporation. All Rights Reserved.
