**ONSTAR VEHICLE INSIGHTS**

OnStar Vehicle Insights™ keeps your finger on the pulse of daily operations and gives you the foresight to make better, more informed decisions. Optimize productivity with driver management tools, gain insights with meaningful data and maximize your efficiency from the big picture down to individual vehicles in your fleet.

---

**SERVICES**

**VEHICLE LOCATION AND DIAGNOSTICS**

View vehicle locations in real time while getting alerts on things like oil life, fuel efficiency and preventive maintenance schedules to avoid costly downtime.

**DRIVER PERFORMANCE INSIGHTS**

Provides business owners and fleet managers with driver information and real-time alerts. Facets of driver data are collected and organized from sudden acceleration or hard braking, speed violations, how long vehicles remain in locations, and notifications when it crosses a customizable boundary that can be as small as a parking lot or as large as a country.

**TRIP SUMMARIES**

Record and reference trip histories across your fleet, and find efficiencies in your routing. Consider more than traffic, and keep track of how your fleet moves over time.
