(Red Text = Advantage Over Competitor)

1. Read the vehicle's owner's manual for important feature limitations and information.
2. Whichever comes first. Fleet user: 5-year/100,000 miles: A "Qualified Fleet User" is defined as, subject to below exclusions, any company which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) during the current or preceding calendar year, during the current or preceding model year, or during the preceding twelve (12) month period, or that owns or leases fifteen (15) or more cars and trucks. Supporting documents must be retained by the dealer and made available upon request.
3. Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details.
4. MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.
5. Includes OnStar guidance plan for 6 months. Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers.
6. Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.
7. 2018 EPA Estimated Fuel Economy
8. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
9. Passenger capacity limited by weight and distribution
10. Cargo and load capacity limited by weight and distribution
11. Results for Ergonomics obtained from the 2017 Model Year Police Vehicle Evaluation Program, published by the Michigan State Police Precision Driving Unit November 2017.
