

Minimize asset loss. Maximize fleet security.

Helps provide tools for a quick and safe vehicle recovery, connected by OnStar®.

What is Stolen Vehicle Assistance?

Losing a vehicle from your fleet can lead to increased downtime, inefficiencies and revenue loss. Recovering it can be an even greater challenge. That's why loyal customers like Clean-Aid trust OnStar to support their fleet when it matters most. By working with law enforcement, Stolen Vehicle Assistance¹ helps provide a fast and secure way to recover missing vehicles, helping minimize disruptions and keeping operations running smoothly.

How it works

Vehicle location

OnStar's team works with law enforcement to help track down the stolen vehicle using GPS technology.

Disable drive

When activated, whether stationary or in motion, OnStar prevents the vehicle from restarting after it's turned off.

Retrieve and return

Designed to help authorities successfully recover the vehicle and promptly return it to its owner.

Key wins for any fleet

Efficient recovery of assets

Collaborating with law enforcement can significantly accelerate the process of locating and recovering your fleet, helping operations resume swiftly.

Reliable fleet management

Stolen Vehicle Assistance enhances vehicle protection and recovery, which can compliment the advanced telematics offered by OnStar Vehicle Insights^{TM2} for fleet managers.

Trusted guidance

Stolen Vehicle Assistance gives you peace of mind with a trusted advisor by your side to help recover your vehicle. They'll support you every step of the way, helping you get back on the road quickly.

¹ Requires paid plan, working electrical system, cell reception, GPS signal, armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. ² Terms Apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt, Low Cab Forward Trucks and GM vehicles built without OnStar hardware, which includes but is not limited to select base Chevrolet and GMC trucks). Requires a connected services plan. Fees, services, and availability subject to change without notice. Does not include emergency or security services. Diagnostics capabilities vary by vehicle model. Not all issues will deliver alerts. See gmenvolve.com for details and limitations.

“The peace of mind OnStar provides isn’t just a feature; it’s a necessity for protecting your fleet from theft.”
