¹ On a full charge based on development testing and/or analytical projection consistent with SAE J1634 revision 2017 – MCT. Range subject to change prior to production. Actual range may vary based on several factors, including ambient temperature, terrain, battery age and condition, loading, and how you use and maintain your vehicle. EPA estimates not yet available. ² Cargo and load capacity limited by weight and distribution. ³ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important safety and driver assistance feature limitations and information. ⁴ Services subject to user terms and limitations. Certain services require working electrical system, cell reception, and GPS signal. OnStar[®] links to emergency services. See gmfleet.com for details. ⁵ Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations. ⁶ Requires public DC Fast Charger. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations. ⁷ Feature may be limited when the battery temperatures are extremely cold or hot or when battery is near full charge. Always use the brake pedal when you need to stop immediately. See Owner's Manual for details. ⁸ Service varies with conditions and location. Requires active service plan. See onstar.com for details and limitations. Vehicle must be on or in the accessory position for Wi-Fi to function. ⁹ Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system, and location. Select service plan required. Certain Google Actions and functionality may require account linking. User terms and privacy statements apply. Google, Android Auto, Google Play and Google Maps are trademarks of Google LLC. ¹⁰ Upfits from an independent supplier are not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety and quality of independent supplier alterations. ¹¹ Not compatible with all devices.
